**PART-II**

**Scope of Audit:-**

The scope of peer review of audit on the accounts of Principal, Dhenkanal Autonomous college was to check all receipts and expenditure for the period from 01.04.2019 to 31.3.2020. To ascertain the recurrence of similar type of irregularities in subsequent years, the year 2022-23 was added to the scrutiny.

The irregularities highlighted in this report are new points which could have been touched by Internal Audit. As they are regular to the office of Principal, Dhenkanal(Autonomous), College had there been similar reporting in their findings, the IA

report would have been better and more qualitative. Besides, the authorities could have been sensitized not to repeat the mistakes.

### Introduction:

Dhenkanal (Autonomous) College was established in 1959. The College provides Undergraduate and Postgraduate programmes. The college receives grants under several heads like infrastructure, purchase of laboratory materials, library books, computers, organization of seminars and self-defence etc.

The details of the financial position for the year 2019-20 & 2022-23 are appended here to an Appendix-A1 to A6.

#### **Para-1: Idle parking of fund in shape of TDR.**

During verification of different cash books like MBA, examination & Computer Science it is revealed that an amount of Rs 1,17,75,958.17 including interest amounting to Rs.22,45,578.80 and Rs.1,09,24,759.96/- are lying in shape of TDR in different banks including Canara Bank. A list of TDRs (Bank wise) is appended herewith at Appendix- A7 to A9.

It was suggested vide HM Memo No.23 & 29 to refund the TDRs amounting to Rs 1,17,75,958.17 & Rs.1,09,24,759.96/- to proper head of a/c of Govt.

In response to the above said HM Memo, the Principal replied that, the proposal for construction of conference hall, renovation of auditorium (Multipurpose Hall), Construction of new Academic building for Dept. of Computer Science has been approved by the finance

committee resolution/Dt.12.03.2021 and 01.10.2023, which will be met out from the idle amount kept in the shape of TDR.

On verification of resolution/Dt.12.03.2021, it is found that an amount of Rs.30,00,000/- is required for conference hall in the college & as verified from the letter of SE. Dhenkanal (R & B) Division and Rs.1,35,00,000/- for construction of B.Sc. computer Science building aggregating to Rs.1,65,00,000/- as per their proposal.

In this context it stated that the unutilized money is collection from students as fees for studying some specific subjects like MBA, Computer Science etc. Hence, it is not desirable on the part of College authority/Govt. to collect exorbitant fees from pupil/students, keep it rolling for years together, to be utilized for construction of conference hall/auditorium etc ultimately when there are specific fund available /sanctioned for these purposes. There should be serious thought on this matter at the level of AD to discourage such type of collections from students, if possible the fees may be rationalized accordingly taking into account all the relevant issues so that the students can study those subjects with minimal fees.

**PARA- 2: Non refund of bank interest.**

During verification of 18 nos. of bank accounts, it is revealed that a sum of Rs.12,07,994.53 & Rs.15,19,256/- is rolling as interest as on 31.03.2020 and 31.03.2023 aggregating to Rs.27,27,250.53 accrued as bank interest.

It was suggested vide HM Memo No.25 to refund the bank interest amounting to Rs.27,27,250.53 to the proper head of accounts of Govt. exchequer and compliance reported.

The Principal, in response, stated that the matter has been communicated to Department of Higher Education, Govt. of Odisha vide letter No.3686 Dtd.12.10.2023 (appended herewith as **Appendix- A10**) seeking for advice on the method/mode of deposit. It is suggested in Audit to calculate the total interest accrued in all the accounts till date and arrange for refund of the same to proper head of account at the earliest.

**Para-3: Non recoupment of outstanding advance.**

On verification of Advance Register, it is observed that a sum of Rs.1,22,20,587/- is outstanding against different teaching & non-teaching staff under the administrative control of Principal, Dhenkanal (autonomous) College as on 09.10.2023. Further, the advance is outstanding against the officials concerned for years together.

It was suggested vide HM Memo No.32 to take necessary steps to recoup / recovery of the outstanding advance from the person concerned and compliance reported.

In response to the above HM Memo, the Principal replied that regarding advance outstanding against teaching and non- teaching staff, out of Rs.1,22,20,587/- outstanding an amount of Rs.1,10,18,979/- has been adjusted after submission of vouchers. Steps have been taken immediately to adjust the remaining amount of Rs.12,01,608/-.

The Principal submitted the copy of cash book and a list of adjustment which is appended here to as **Appendix-A11 to A13**. As the Principal could not furnish relevant

records regarding adjustment of vouchers during the audit, it is suggested to verify the same by the internal audit party of HE Department. Besides, appropriate action need to be taken against officials who have not yet submitted vouchers for long years.

**Para-4: Payment made to printing press in shape of cash and without maintenance of relevant records towards printing of question papers.**

During verification of Exam Cash Book, it is observed that a sum of Rs 2,08,116 & Rs.5,58,872 has been paid in shape of cash to the printing press during 2019-20 & 2022-23 respectively towards printing of question papers.

Similarly, an amount of Rs.14,98,899/ and Rs.9,95,609/- has been paid in shape cash towards coding work, conduct of exam, meeting expenses, Travels & Evaluation etc. during 2019-20 & 2022-23 respectively. It was asked vide HM Memo No.6,7,8 to clarify the above cash payment violating FD OM No.27444 Dated.26.07.2012

In response to the above said HM Memo, the Principal replied that no file, no sanction order, no tender in this regard is maintained to keep secrecy. The cash payment has been made to maintain secrecy. And for making the question papers, the controller approaches different senior level Professors/ Associate Professors/ Assistant Professors of different Universities or leading Govt. Colleges by going to their door steps and they make themselves available for making questions after a lot of persuasions only under a pre-condition of net cash payments. It is admitted that the FD OM No.27444 Dated.26.07.2012 is paramount on the financial transactions but it is apprehended that if online payments will be undertaken for all of the examination related activities, the Controller of Examination will not be able to complete any one step of the Examination process which will lead to disturbance in the conduct of timely examination and publication of in time results.

The reply of the Principal is not at all satisfactory because it is desirable to maintain relevant records for verification by audit which is only post mortem in nature. Therefore, there should have been some records regarding the payees, purpose of payment etc. and the plea of "Maintaining secrecy" is not acceptable.

In view of facts stated above an amount of Rs.32,61,546/- spent for conducting of examination & others is held under objection. The AD may take note of this matter for necessary action.

**Para-5: Payment made towards computer charges without quotation.**

During verification of exam cash book & vouchers, it is revealed that an amount of Rs.1,36,547/-and Rs.2,48,460/- has been paid towards computer charges during 2019-20 & 2022-23 respectively for publication of results. The details are mentioned below:-

For Self-financing course:-

Financial Year	Amount
2019-20	14,705
2022-23	20,210
TOTAL	34,915

For UG/PG Course:-

Financial Year	Amount
2019-20	1,21,842
2022-23	2,28,250
TOTAL	3,50,092

Hence, it was asked vide HM Memo No.9 to justify how the rate per unit towards payment of computer charges was derived without inviting the quotation from other firms.

In response to the above said HM Memo, the Principal replied that, the processing and publication of results are very confidential in nature for which the name of the firm engaged in processing of results are usually kept confidential. In order to keep the name confidential, no quotations were called previously but payments were made after obtaining proper bills with confidential names, with the approval of Principal in the note sheets and payments were made through cheques only. The firm, as was performing the above activities with an unblemished past records, given to do such confidential works. Moreover, no audit team has ever pointed out such matters to the Controller of Examinations previously; therefore, the repetition of such practice was made. But from now onwards the points raised by the audit team will be kept in mind and shall not be repeated again.

In this context, the AD may look in to the matter and introduce an SOP for ensuring the uniformity and propriety of such type of transactions in all the Govt. Colleges.

#### Conclusion-

The peer review of Internal Audit Report on the accounts of the Principal, Dhenkanal Autonomous Collage, Dhenkanal for the year 2019-20 and 2022-23 reveal some important lapses being committed by the authorities which need rectification for the betterment of the organization. There are points like keeping huge amount, collected from students in shape of TDR and in savings account without utilization/improper utilization, highlighted in the report. The AD should take note of these happenings for appropriate actions as deemed fit. Besides, the Internal Audit Party to be deputed in future for audit should be sensitized to touch the points mentioned in the instant Report so that the quality of the Internal Audit Report are increased to a larger extent.
